Leading Change With Impact: The NLP Approach

• Program Overview

Everyone agrees that managing change is tough, but few can agree on how to do it.

With the massive changes and movements today, it is crucial to know how to navigate the transitions and integration effectively and positively

Whether dealing with structural changes, team reorganization, or shifts in business strategies, all require relevant tools and insights to manage uncertainty, foster resilience, and guide teams through change.

The workshop focuses on developing a leadership attitude to lead change confidently and building a cohesive team. Participants will learn the psychology of motivation, and how to communicate effectively during transitions to create a supportive environment which fosters the best team dynamic

• Learning Objectives

By the end of the course, participants will be able to:

- **Establish** the foundation of psychology of group dynamics and how YOU can affect and are affected by the environment.
- **Build** the Leadership Attitude (Leaditude) for team success
- **Cultivate** Positivity To Navigate Change and Transition
- **Decode** your Emotional Drivers and your internal motivational factor to create the best Team Synergy
- **Enhance** your influential skills in managing and leading your team

• Who Should Attend

Anyone looking to improve themselves

- **Duration** One (1) Full-Day Workshop;
- **Participants** 25 Max Pax Per Group
