Building

Unlock Team Building Excellence
with Our Mechanical Keyboard
Workshop Today!

• Overview

The Workshop is a unique and interactive program designed to enhance team collaboration, communication, and efficiency through the exploration of mechanical keyboards. This workshop goes beyond the traditional team-building activities by incorporating a hands-on approach to learning and applying valuable skills in a fun and engaging environment.

Participants will not only gain insights into the world of mechanical keyboards but also develop a deeper understanding of teamwork and communication dynamics.

• Learning Objectives

We will be focusing on:

- **Teamwork:** Building mechanical keyboards as a team requires clear communication and collaboration. It's a fun and effective way to strengthen interpersonal relationships.
- **Problem Solving:** Overcoming assembly challenges fosters problem-solving skills and creative thinking.
- **Innovation:** Customization allows team members to express their creativity and innovation in a tangible way.

With emphasis on team:

- Flexibility
- Active Listening
- Probing questions and seeking answers
- 'Persuasive & Ethical' Teamwork.
- Attitudes that say, 'Never give up and never say can't!'

• Duration

One Full-Day Workshop; Guided with Master Trainers and Skilled Crews.
