### What participants are saying about this Training Programme?

"I personally strongly recommend this course to whoever that needs to present frequently. I had to settle a matter with Senior Management, I updated my presentation slides based on the tips I've learned and the presentation went very well without further questions. I also see some significant improvement from the other team members after attending the training course."

— **Intel MCI Automation Integrator**

"I really enjoyed this class a lot. I'm a good listener but when it comes to participation, I'm not good with that. But in her class, I can say I participated around 70-80% of the time as it was like a 2-way conversation."

— **Dell Employee**

"Class is engaging, content is interactive, new skill (presentation skill, PPT design skill) is learned."

— **Intel Employee**

"Love the training! It was definitely eye-opening and will be helpful for me when I present in a formal presentation or in a normal conversation."

— **Tiffany, Intel Employee**

"Keep it up, I would love to repeat this course next year and see how I have improved."

— **Khairul , Intel Employee**

"Learned a lot of things that I'm not aware of on how to present and influence."

— **Muhammad Nasih, Intel Employee**
