Setting The Mindset

• Program Overview

This program is thoughtfully designed to empower leaders to cultivate a growth-oriented mindset essential for navigating challenges and driving transformative change in their organizations. It emphasizes the importance of self-awareness as the foundation of effective leadership, equipping participants with the tools to recognize their strengths, overcome personal barriers, and adopt a proactive approach to growth.

Through an in-depth exploration of team dynamics, participants will gain insights into the psychological drivers that motivate individuals and teams, enabling them to foster trust, empathy, and collaboration in diverse environments. Additionally, the program delves into the creation of positive, solution-focused work environments where accountability and innovation thrive, ensuring participants are prepared to inspire and lead their teams toward achieving collective goals.

• Course Objectives

By the end of this program, participants will be able to:

- Adopt a growth mindset to lead change effectively.
- Motivate and engage teams with empathy and emotional intelligence.
- Create a culture of accountability and innovation.
- Apply structured thinking and risk management in decision-making.

• Methodology

Group discussion, case studies, activities, and role play.

• Duration

One (1) Full-Days Workshop;
